

*Mrs Johnson on behalf of the staff and governors.*

Some comments in the completed questionnaires referred to our PE and sport provision, including lessons during school time and extra-curricular activities. All classes receive a term of lessons every year with bought-in professional sport coaches; this includes tennis tuition and coaching in athletics/gymnastics/invasion games/ball skills with Embrace PE. This is in addition to the weekly lessons delivered by school staff which always meet and often exceed the recommended weekly provision for EYFS/KS1/KS2. We also provide extra-curricular sporting clubs in dance, football, tag rugby, rounders and cross country during the course of the year, all of which are currently provided at no cost to parents/guardians.
