Parent/Guardian Questionnaire Responses - Summer 2015

Thank you for the responses to our recent Parent/Guardian Questionnaire. We are very grateful to you for taking the time to respond and your comments will support the staff and governors in planning for the forthcoming year and further ahead. The responses have been collated, as shown below, which may not total exactly 100% due to rounding. For some statements, we have provided information on developments already planned but if you have any further questions please do not hesitate to speak to a member of staff.

Several comments at the end of the completed questionnaires related to class sizes. The Local Authority are responsible for increasing the capacity of our school and we are not permitted and do not currently need to increase the number of classes. Should our number on roll increase significantly in the future, the Local Authority would be responsible for reviewing our provision. If you have any queries at all regarding this, please do not hesitate to speak to Mrs Johnson.
