Dear Parents/Carers,

Welcome back! I hope you have all had a lovely summer holiday and have enjoyed the break. I'm looking forward to this coming year and all the exciting things planned for Class 3. I just wanted to let you know some key bits of information about this term.

PE – Tuesdays and Fridays – Please could children ensure they have both indoor and outdoor kit in school as at this time in the year our lessons are very much weather dependent!

Reading – Children are expected to read at home every day to a parent/guardian. Children will be rewarded for this in school if there is evidence in their reading record.

Spellings – As of next Friday (the 18th), spellings will be set each Friday and will be tested the following Friday. I emphasise to the children that spelling homework is not just about scoring high marks in a test but is about applying what they have learned to their independent writing. It may be necessary at times for children to repeat spelling patterns in order to secure their understanding. The spelling group your child is in may change over the next few weeks as I assess the children and differentiate accordingly.

Homework: Children are expected to learn their weekly spellings and practise their times tables regularly. Additional literacy, maths or topic homework may also be set at times in addition to this.

If you have any other questions then please do not hesitate to come in and speak to me at the end of the school day.

Many thanks for your support,

Miss. E. Barratt
