Think of all the work we have covered during our Science lessons this half term to help you complete this homework.

Draw a picture of a pet/animal you have seen over the half term.

Pet/animal's name: _____

Is the animal a Carnivore (meat eater), Herbivore (plant eater) or Omnivore (meat & plant eater)?

_____

Make a list of a few things they eat.

_____
_____
_____
_____
_____
_____

Use a range of interesting/exciting adjectives to describe your chosen animal and put them into a full sentence.

_____
_____
_____
_____
_____

Extension: Can you label the animal body parts?
