

Homework Due: Friday 10th June 2016.

Think of all the work we have covered during our Science lessons this half term to help you complete this homework.

Draw a picture of a pet/animal you have seen over the half term.

Is the animal a Carnivore (meat eater), Herbivore (plant eater) or Omnivore (meat & plant eater)?

Make a list of a few things they eat.

Pet/animal's name: \_\_\_\_\_

Use a range of interesting/exciting adjectives to describe your chosen animal and put them into a full sentence.

Make a list of how to care for this animal.

**Extension: Can you think of an interesting fact about your animal?**
