Dear Class 1 Parents,

NATIONAL CHILD MEASUREMENT PROGRAMME (NCMP)

When your child started School, you will have completed a form asking for your consent to the School Medical Procedure and giving you the choice of opting out of the National Child Measurement Programme.

It has been brought to our attention that some parents may have received a letter from Shropshire Community Health NHS Trust following the school nurse's visit to School as part of this Programme.

We wish to clarify that these letters are issued by the NHS Trust and not by School and we are not informed of the outcomes of the height and weight measurement checks.

Please do not hesitate to speak to me in person or telephone School, if you have any questions regarding the above.

Kind regards
