Dear Parents and Guardians,

BEFORE- AND AFTER-SCHOOL CLUB PROVISION

Thank you for your continued support and for your positive response to the new charges for our extended school provision. As explained in our previous letter before Easter, the new charges from 24th April 2017 were necessary as we are facing increased financial pressure and we could no longer offer the clubs free of charge or at their previous rates.

We are aware that the previous letter may not have reached all families so we have provided an overview of the clubs available, with costs and collection times, over the page for your information.

- Breakfast Club is now £2:00
- 8:30 Club has remained at 50p but this is strictly from 8:30 onwards
- Clubs which run until 4:15 or 4:30 are now charged at £1:00 per child per club
- Film Club is now £2:50 per child (snack of drink and biscuits included)

Payment for all clubs should be made prior to the club, ideally at the start of the week. Monies should be handed in at the Office or to class teachers during registration (not to staff running the club) and should be in an envelope marked clearly with your child's name, amount enclosed and which club(s) it is for.

Our aim is to continue to provide after school clubs for all year groups each day. Myself and the relevant Governing Body Committee will continue to review the after school provision. However, if we find that some clubs are no longer viable and not enough children are attending, we may have to stop running certain clubs.

Please do not hesitate to speak to me in person or telephone School, if you have any questions regarding the above.

Kind regards

Mrs Natalie Johnson
