Thursday 7th September 2017

Dear Parents and Guardians,

Website Password Competition

It is time to choose a new password for our School website and we thought it would be great to get the children involved in this. The new password needs to be simple, easy to remember and child-friendly (lowercase letters only), so that the children can access the website themselves with your approval.

I spoke to children in all classes this morning and children came up with some fantastic ideas which they may mention to you.

Once your child has thought of a new password, they need to complete the slip below and post it in the box on the counter at Reception or hand it in to their class teacher. The **closing date for entries is Friday 15th September** and the winner will be announced and the password changed as soon as possible thereafter.

As well as the prestige of their idea being chosen, the 'winning' child will also receive a mystery prize!

If you have any questions, please do not hesitate to speak to a member of staff.

Mrs Natalie Johnson
Head teacher

_____

Child's name _____   Class _____

Please write your idea for the new password in the box below:
