Dear Parents and Guardians

Thank You

As we begin our new term we wanted to welcome back the children and also take the opportunity, on behalf of all of our staff and governors, to express our sincere thanks for your support at the end of the autumn term.

As you are aware, we faced quite unprecedented circumstances with severe weather conditions and then the failure of the heating system which sadly, after relentlessly trying to rectify the problem, saw us having to remain closed for almost all of the final week. We cannot thank you enough for your messages of understanding, gratitude and support, especially to those who helped contact other parents and your help in ensuring all children were transported home safely.

We should receive our Ofsted inspection report in the next few weeks and we will notify parents when this is available. In the meantime, we begin 2018 - a new and exciting year - with the Nativity and Christmas concerts for all to enjoy and we look forward to seeing you at these events.

Kindest regards

Mrs Natalie Johnson
