

Year 3 Homework – Due in Friday 20th April 2018

To reinforce our work done in class, I would you like you to write about what happens to George's teacher after he is given the medicine.

Try to use as many different features in your writing as you can:

- Adjectives and adverbs
- Speech
- Different words for said
- Different sentence openers

There is a problem at George's School. His teacher is being really mean to all the pupils and has told them no one is allowed to have fun at school and that they must sit in silence all day. He locks children who disobey the rules in the cupboard! George has a bit of Grandma's medicine left, he decides to give it to his teacher and the effects it has is very different to the effect it had on Grandma.
