Dear Parents and Guardians

Parent Governor Election - Bicton C E Primary School and Nursery

The following parent governor has been duly elected* by the parents of this school:-

Mr Robert Marsden

Yours sincerely

Mrs Natalie Johnson
Head teacher

**election can happen in one of two ways:*

- *If the same number or fewer nominations are received, the process will stop before a vote takes place and the person becomes a governor at that point;*
- *A vote takes place if there are more nominations received than there are parent governor vacancies.*

Please see below Mr Marsden's personal statement for the position:

"Having moved to Shrewsbury 2 years ago, and appreciated the welcome and ethos of Bicton School, I would be honoured to serve as a Governor if elected. Having never been a Governor I would have lots to learn. I have many years' experience in managing my own business, working with all sorts of people and being a Dad. As a stay-at-home dad, I have time to be actively involved, as required throughout the week. My children are currently in Years 3 and 5 and have grown in confidence and love their school, for this I am truly grateful."
