Remote Learning Provision for EYFS

- Nursery staff will record a different story each week being read and acted out, with ideas for practical activities linked to the story for all children in EYFS. The video is published on the school website at <https://www.bictonschool.org.uk/parents/home/parents-area/classes/>
- Tapestry is used in Willow (and is being introduced in Nursery) to provide weekly home learning activities and for parents to upload photos and videos. Mrs Bowes comments on observations (photos and videos) uploaded by parents for children in Willow who are learning remotely at home.
- **Weekly timetable** for Willow is scheduled on Tapestry for 9:00am on Mondays with links and resources attached. Providing a weekly overview gives parents time to collect resources together for the week e.g. for role play/retelling a story.
- The weekly timetable is differentiated for specific children where needed including for EAL/SEND. Activities include links to RWI videos (active from 9:30am) literacy e.g. story telling, RWI videos for reading and writing. Differentiation is included to extend/support e.g. writing activities.
- Mrs Bowes holds individual weekly 'catch-up' Zoom calls for Willow children and their parents.
- Miss Stone calls Nursery parents to catch up on how children and their families are, and to offer any support needed.
- Parents email Willow / Nursery with any questions.
- A 'live' story time will be introduced with Mrs Bowes reading stories to children in Willow at home.
