September 2022

Dear parents/carers,

We are delighted to introduce the extra-curricular clubs that will be running this term. Based on feedback from our parent survey, we have a huge range of clubs available this term so that all pupils will have the chance to follow their own interests.

Here is a taster of some of our new clubs this year...

Netball

This is a chance for beginner netballers to learn a new sport in a fun and supportive environment. There may be opportunity for fun tournaments against local schools later in the year!

Yoga

A fun and imaginative way for our younger children to develop their focus and concentration, improve their flexibility and coordination, develop strategies of relaxation and to stay healthy and happy.

Mathletics

This will be a chance for any of our budding mathematicians to enjoy a range of fun maths puzzles and investigations.

Eco Club

This exciting club will be working closely with our new eco council to enhance our wonderful school environment. A chance to spend some time in our lovely green spaces around school, improving them for all pupils to enjoy.

Sewing Club

Our expert staff sewers will be teaching children how to craft a range of different items using simple sewing techniques. Children will be able to take home their creations at the end of the half term.

All extra-curricular clubs will run from 3.15pm – 4.30pm and will include a drink and snack.

Sunset Club

After consultation with parents, we are delighted to be able to be trialling a new 'Sunset Club' to support our families that require longer wraparound care. It will run straight after the extra-curricular clubs until 5.30pm Monday – Thursday. Sunset Club will cost £4 a session and will include a hot snack and a drink. It will be open to all children from Nursery – Year 6.

Booking arrangements

All bookings must be made via sQuid.

We have limited numbers for each club so places will be given on a first-come, first-served basis.

The booking system for all clubs will be open from next week.

Clothing

If you would like your child to attend any of the sports clubs, they must bring their PE kit/sportswear into school to get changed into after school.

If you would like your child to attend the Wildlife Watch club or Eco club, they must bring sensible outdoor clothing and wellies to get changed into after school.

Pick up

All extra-curricular clubs will run until 4.30pm and all children must be collected from the side Hall door at 4.30pm prompt.

Sunset club will run until 5.30pm and all children must be collected from Hazel Classroom (using the KS1 playground gate).

All clubs (extra-curricular and Sunset) will commence on Monday 12th September and run until Friday 14th October.

There will be childcare available until 4.30pm on Tuesday 6th – Friday 9th September (first week back), bookable via sQuid from next week.

Kind regards,

Mrs Mavin
Deputy Headteacher / Oak Class Teacher
