SEPTEMBER LOOP 2023

Weekly Collects, Readings and Reflection are on the website (see above.)

Worshipping Together

You will remember that in last month's Loop I shared the lovely news that we now have a band of bell-ringers for two Sundays per month at Bicton- we are tremendously grateful, and it's a delight to hear! It enriches our worship and (we hope!) blesses the community to know that there are people in church praying on their behalf.

This is just one example- as we begin a new academic year, we will be looking at the breadth of the worshipping life of our churches in the next round of PCCs. We have had some encouraging experiences this last year- with the introduction of all-age liturgy at Shrawardine; the scratch choir in the summer; our graveside services and now regular services of Morning Prayer at Battlefield. As the autumn term begins, we will prayerfully consider how God continues to affirm and challenge us in our corporate worship, as well as the wider life of the parish.

A lot of this has been enabled by the confidence we now have in the end of pandemic-related restrictions. With that in mind, can I also issue a gentle prompt about communion? The common cup returned to Severn Loop last year, and we have been operating a bit of a 'mixed-mode', with some continuing to intinct (including me until recently). It would be great if we could all move away from this, and towards receiving the common cup in the usual way once again. Whilst priest intinction is permitted; as members of the congregation we're not supposed to intinct the wafer (dipping it in the wine)- a slightly awkward practice to have to confess to when it comes to visiting clergy! For those who don't feel comfortable sipping the wine, we can of course receive in one kind only- so just the bread.

Thank you to covering clergy

We are very grateful to The Ven. Kevin Roberts, who will be covering services at Montford and Shrawardine on 24th September, whilst Peter is on holiday.

Ride and Stride

On 9th September churches across the county will be taking part in Ride and Stride in aid of Shropshire Historic Churches Trust (with proceeds shared between them and the churches involved). Some folk from our congregations are being sponsored to cycle/ walk/ drive round as many as possible- do support them if you can! Churches around the Loop are also involved- it's lovely to be able to welcome visitors to our buildings and grounds. If anyone in Bicton can help man the church for an hour on the day between 11am and 4pm, please let Wendy Horan or Clare Dixon know.

Forest Church

Our next Forest Church will be on the 10th September at Shrawardine. We are very excited to be on the land which would have been home to Dolly- the young girl who is memorialised in the Maiden's Heart (which was discovered in church during lockdown). There will be some kit for engaging with nature (including microscopes), and seasonal crafts. We will also be unveiling 'Dolly's Gate'- which the current owner has installed in her memory. For most of us, we will park at the Castle Mound at the entrance to the village, but closer parking will be available for those of limited mobility.

Harvest

One of my favourite times of year! As we read about various (and increased) threats to global food supply, it is more important than ever to practice gratitude for what we do have, and to celebrate the earth's abundant gifts- which we take for granted at our peril. There will be more details of services and lunches/ suppers in next month's Loop, but here are a few dates for now (with details for the Harvest Lunch at Montford Parish Hall, as that gets sold out quickly!):
