

School Council Elections – Y1 – Y6

We are very excited to announce that we are ready to elect school councillors to our brand-new School Council bodies!

Creative Curriculum	Environmental Warriors	Courageous Advocacy	Worship
Act as representatives of their classmates in discussing school issues with the headteacher and staff about all matters relating to our exciting curriculum and learning.	Children who appreciate God's beautiful Earth, natural environment, and act responsibly towards the environment.	Our advocates are children who support, champion and speak up for a cause that is important and meaningful to them. Courage is needed to persevere and stand up for something or someone you believe in, to make a difference.	Take an active role in our school; planning for, contributing to and leading worship across the school are just some of the roles they take. Children take their role on the Worship Council very seriously and live out our school values proving to be excellent role models for the rest of the school.

Being a school councillor is a very responsible position, as you have to have many sensible ideas and sometimes have to do things in your lunch times. However, it is your chance to play an important part in our Bicton CE Primary School community.

You may feel a little nervous about putting yourself up for election, but it is exciting to see what happens when people share their ideas so be brave!

If you think you would like to represent your year group, the next step is the election process:

Elections

People who would like to run for a particular School Council will present their speeches explaining:

- Why they would like to be a School Council member
- What issues they think are important
- How they would help make the school a better place

To make it fair, there will be a vote so that everyone can decide who will best represent them. This will be recorded on a secret ballot. You do not have to tell anyone who you have voted for.

The ballots will then be collected and counted, and the newly elected School Council members will be announced in Worship on Wednesday.

Best of luck with your campaigns, we are very excited to see what ideas you come up with to help improve our School.

Please ask the teachers if you have any questions!
