Dear parents/carers,

December 2025

After School Clubs – Spring Term 2026 – 1st half (Starting Tuesday 6th January 2026).

Booking arrangements – please read carefully

Clubs run by school staff are bookable and payable on a weekly basis. Clubs run by outside agencies must be booked and paid for in full prior to the first week. Please see the separate letter regarding booking Cookery club.

Bookings must be made via the School Gateway, our online payment system, and will be available to book before the end of term. **To book a club session you must go to the CLUBS tab first to book a place, you will then be taken to the payments page to pay. Paying for a club without selecting any sessions first will not secure or guarantee a place.** We have limited numbers for each club so places will be given on a first-come, first-served basis.

Clothing reminder

If you would like your child to attend any of the sports clubs, they must bring their PE kit/sportswear into school to get changed into after school.
If you would like your child to attend the Forest School, they must bring sensible outdoor clothing and wellies to get changed into after school.

Pick up

All clubs will run until 4.30pm, all children must be collected from the Hall door at 4.30pm (apart from Film Club which runs until 5:30pm and pick up is from the school playground). If you arrive before this time, you may have to wait until the end of the club to take your child home. Please note if clubs do not reach their designated numbers, it may not be feasible for them to run, in which case, parents will receive a refund or be offered a club run by school staff.

Kind regards,
Mrs Eleanor Mavin

WE KNOW NETBALL

We have been providing netball leagues for over 10 years, with 40,000 women playing with us weekly.

PLAY NETBALL

A large number of girls unfortunately give up all sport during their teenage years, with confidence being a large reason. We have found that for 44% of our adult players who join, we are their first contact with sport or netball since leaving school. Playing sport, and belonging to a team or club, has huge personal, social and emotional benefits. We want to give children the opportunity to try netball at a young age, and hopefully create a lifelong connection with sport, and give them the confidence to continue playing into their adult liv
